During its first season as part of the QParks family, the Snowpark Feldberg had already firmly established itself as **highly famed shooting location**, with a total of 6 photo and 4 film shootings. At the **Public Shootings**, which were massively popular already last year, you can set yourself in the spotlight also this winter. You can now marvel at the best shots

With its new partners, **Sport Bohny inclusive TWO FIFTY** and **Nike 6.0**, the **Bohny Snowpark Feldberg** is well prepared for the up-coming season. The format gives all talented riders an opportunity to win great prizes and make their mark within the European scene!

What's more, the set-up will once again be extended. Several grand Jibs, such as a **Tank with a length of 3m and a diameter of 80cm**, for example. The countless possibilities the new elements provide allow for an incredible **10 Jibline** – Germany's longest Jibline. This monster will include 6 Rails, among them an **8m Rail with connection**, as well as a **6m Industry Cannon Rail**. Other novelties, such as the **8m Straight Box**, a **6m Industry Flat Rail** and a **7m Industry Kink rail** will guarantee freestyle joy deluxe in the Snowpark Feldberg!
